Getting Ready

CLOTHING: Solid colors work best and will make you look thinner.

HAIR: Be yourself, avoid changing your hairstyle or cutting your hair right before your session.

JEWELRY: If you have jewelry that has special meaning to you, wear it!

MAKE-UP: Apply make-up as you would normally for an evening out. Pay special attention to your eyes: they're the focal point in a portrait!

GLASSES: If you wear eye glasses all the time, you'll want to wear them in your portraits. Don't worry, we'll take care of any glare.

What can I bring?

- You may invite extended family members for a **multi-generational photo**.
- **Bring your pets**, we know they are an important part of the family! Please check with your church.
- **Bring props** that express you and your family's personality, e.g., **instruments, sports equipment and hobby items**.

Making Memories that Last!

RETOUCH: Universal offers portrait retouching that can soften facial lines and correct blemishes.
